FAAR Unveils New Website to Better Serve Members and the Public

Fredericksburg, VA—(June 30, 2017) The Fredericksburg Area Association of Realtors® (FAAR) unveiled a new membership database and website on June 14, 2017 that is more nimble, user-friendly, and interactive. The new membership database automatically sends class information to the Virginia Department of Professional and Occupational Regulation ensuring agents taking classes with FAAR Academy receive credit for relicensing as soon as possible.

The new website better showcases classes, resources, and advocacy efforts for FAAR members while providing a more dynamic user interface for consumers to search properties for sale, find a member, and research market statistics.

The new website also features a constantly updating news feed of association news, trending topics, and tips of the trade. News articles are grouped by basic categories providing an easy way to search content of interest. Visit www.faarmembers.com to explore the new FAAR website and see what it has to offer!
