SANTA

Love shopping for holiday gifts?

How about helping local families less fortunate?

Volunteer to adopt-a-family through FAAR's Secret Santa program! FAAR partners with ProjectLINK to identify families in need and partners them with individuals and companies that can help make their holiday a little bit brighter.

Families will be assigned before the Thanksgiving holiday in case anyone wants to take advantage of Black Friday shopping.

Companies, teams, groups of friends, and individuals are all welcome to participate!

Drop off details will be shared with volunteers at a later date. Thanks for helping make FAAR's Secret Santa program a great success!

To participate, please email Kim McClellan at kmcclellan@faarmembers.com and indicate preferred family size.
