When military staff and their families relocate, the services of a real estate professional who understands their needs and timetables makes the transfer easier, faster, and less stressful.

The Military Relocation Professional (MRP) certification course teaches you about working with current and former military service members to find the housing solutions that best suit their needs and take full advantage of military benefits and support.

Learn how to provide the real estate services—at any stage in the service member's military career—that meet the needs of this niche market and win future referrals. Hone in your knowledge and skills for working with active duty military buyers and sellers, as well as veterans with the NAR's Military Relocation Professional Certification.

*Good information on what military service members experience as a seller or buyer with practical examples on topics!*

*Arleen kept class entertaining and on point!*

*The instructor, Arleen, was awesome. She is former military and had so many first hand tips and stories to share!*

To complete certification, you must complete 2 free webinars & pay NAR a ONE-TIME certification fee. Pre-class reading assignment can be found at [www.rebac.net/Teach/MRP/MRP\\_Core\\_Course\\_Pre\\_Class\\_Reading.pdf](http://www.rebac.net/Teach/MRP/MRP_Core_Course_Pre_Class_Reading.pdf)
