

**Fredericksburg Area Association of REALTORS®  
Committee Meeting Attendance Policy**

The Fredericksburg Area Association of REALTORS® (FAAR) Committees are vital to success of the association. Committees must meet a quorum of members (51% of the committee roster) at each of their meetings in order to pass motions on important items discussed.

In order to achieve this necessity, the following attendance policy is in place:

- Members of a committee will be removed from the committee roster after three missed meetings (with no contact) with the Chair, Vice Chair, or Staff Liaison; OR
- Members of a committee will be removed from the committee roster after five missed meetings (with contact) with the Chair, Vice Chair, or Staff Liaison.

If a member is removed from a committee due to the above policy, they may reinstate their participation in the committee by attending a future meeting held. All members of the association are always welcome as non-voting guests to committee meetings.

FAAR thanks you for volunteering your time and for joining a committee!
