**STORE BOOKSHELVES RELOCATED:
FRED BOOKS CLEARS BOOKS FROM
HOMES & GIVES THEM A NEW LIFE**

Not only did we give our old bookshelves a meaningful new role, but we also discovered a fantastic way to help real estate agents and keep stories alive.

Fred Books offers an amazing service to agents: they clear out any books from homes for sale, saving them from becoming waste. This not only declutters properties but also breathes new life into the books. And the best part? It's completely free.

This service means less hassle for agents and more books for readers. Join us in supporting Fred Books' mission to spread the joy of reading and make a positive impact on the environment.

Thank you to Tim Liddy with Charden VA (chardenva.com) for making the connection and learn more about Fred Books at fredbooks.org
