

READY~SET~GO!

Together, we prepare our students for their future.

EVERYONE WINS

Students

Tryout a career of your choice to see what their future might look like and help you decide what your "E" might be.

Businesses

Recruit your next generation of employees while giving back to the community.

School Division

Leverage the power of businesses strengthening and reinforcing skills taught in the classrooms.

Community

Establish a workforce and develop talent pipelines while encouraging students to stay local.

WHAT IS A FIELD EXPERIENCE?

It's a 40-hour extended job shadow that provides students with real-world career insight while connecting to classroom content.

Students learn life skills and career expectations to be better prepared for life after high school.

Businesses become part of developing a strong workforce within our community.

Dare to be Different
WITH SCPS

Thinking outside the box for career development and creating talent pipelines.
